

User Prompt

What is the % of women in board and KMP roles at Religare Enterprises? How does this compare with the other peers?

Agents Conversation History

Sub-question 1: subquestion = What is the percentage of women in board roles at Religare Enterprises?

worker_agent: answer =It appears that the provided information chunks do not contain specific data regarding the percentage of women in board roles at Religare Enterprises. Without relevant data from the provided chunks, it is not possible to directly answer your question.

If you have access to Religare Enterprises' BRSR report, sustainability report, or any other corporate governance disclosures, these documents often contain details about board composition, including gender diversity. Alternatively, you could consult Religare Enterprises' annual report or their official website under the corporate governance section for such information.

Let me know if there are other details I can assist you with!

Sub-question 2: subquestion = What is the percentage of women in board roles at SBI Life Insurance?

worker_agent: answer =It seems that the provided information does not include specific data about the percentage of women in board roles at SBI Life Insurance. Without relevant data from the chunks, I am unable to provide an exact answer to your question.

If you can provide more specific chunks of data or direct extracts from sustainability reports, BRSR filings, or other related documents for SBI Life Insurance, I will be happy to analyze and respond accordingly. Alternatively, you may need to check the company's latest sustainability report, annual report, or corporate governance disclosures for this information.

Sub-question 3: subquestion = What is the percentage of women in board roles at ICICI Prudential Life Insurance?

worker_agent: answer =The provided information chunks do not include specific data regarding the percentage of women in board roles at ICICI Prudential Life Insurance. If you have access to ICICI Prudential Life Insurance's BRSR report, sustainability report, or other corporate disclosures, such as XBRL datasheets or GRI-standard reports, you may be able to find the required information under sections related to board composition, diversity metrics, or gender representation.

Alternatively, you can refer to publicly available sources like the company's website, annual reports, or regulatory filings (e.g., with SEBI). If you can provide more specific data or documents, I can assist you further!

Sub-question 4: subquestion = What is the percentage of women in Key Managerial Personnel (KMP) roles at ICICI Prudential Life Insurance?

worker_agent: answer =It seems that the relevant information to answer your question is not provided in the chunks. Without specific data regarding the percentage of women in Key Managerial Personnel (KMP) roles at ICICI Prudential Life Insurance, I cannot provide a precise answer.

However, if you have access to ICICI Prudential Life Insurance's BRSR report, sustainability report, or any other relevant disclosures, such data is likely to be available under sections addressing diversity and inclusion or governance structure. These reports typically provide details on gender representation at various organizational levels, including KMP roles.

If you can provide additional data or chunks containing relevant information, I will be happy to assist further.

Sub-question 5: subquestion = What is the percentage of women in Key Managerial Personnel (KMP) roles at HDFC Life Insurance Company?

worker_agent: answer =It appears that the provided information does not contain any data regarding the percentage of women in Key Managerial Personnel (KMP) roles at HDFC Life Insurance Company. Without specific details or relevant chunks, I cannot provide an exact answer to your question.

If you can supply additional data or chunks containing relevant ESG, BRSR, or sustainability reporting information, I would be happy to assist further in analyzing and structuring the information. Alternatively, you can check HDFC Life's latest BRSR or sustainability report for details on gender diversity within their KMP roles.

Sub-question 6: subquestion = What is the percentage of women in board roles at Max Financial Services?

worker_agent: answer =It seems the provided information does not contain any data related to the percentage of women in board roles at Max Financial Services. Without specific data from the XBRL datasheets, BRSR reports, or sustainability reports, I am unable to provide the exact percentage.

If you have access to Max Financial Services' latest sustainability report, BRSR filing, or any corporate governance-related disclosures, you may find this information under sections like "Board Diversity," "Gender Representation," or "Corporate Governance." Let me know if you can provide additional details or documents for further assistance!

Sub-question 7: subquestion = What is the percentage of women in Key Managerial Personnel (KMP) roles at SBI Life Insurance?

worker_agent: answer =It seems that there is no relevant information provided in the chunks to answer the question directly. Without specific data on the percentage of women in Key Managerial Personnel (KMP) roles at SBI Life Insurance, it is not possible to provide an accurate answer.

If you can provide additional data or chunks containing relevant information about SBI Life Insurance's KMP demographic breakdown, I would be happy to assist further. Alternatively, you may wish to consult SBI Life Insurance's BRSR report, sustainability report, or other corporate disclosures for precise details on gender representation in KMP roles.

Sub-question 8: subquestion = What is the percentage of women in Key Managerial Personnel (KMP) roles at Religare Enterprises?

worker_agent: answer =It seems that the provided information chunks do not contain specific data regarding the percentage of women in Key Managerial Personnel (KMP) roles at Religare Enterprises. Without the relevant data, I am unable to directly answer your question.

If you have access to Religare Enterprises' BRSR, Sustainability Report, or any other corporate disclosure, you may find this information under sections related to "Leadership Diversity," "Key Managerial Personnel," or "Gender Diversity Metrics." Typically, such reports provide quantitative data on gender representation across various roles, including KMP.

Alternatively, you may want to check Religare Enterprises' website or contact their corporate governance team for detailed information about gender diversity within their KMP. If you have more information or relevant data chunks, feel free to share them, and I will help analyze them for your query.

Sub-question 9: subquestion = What is the percentage of women in Key Managerial Personnel (KMP) roles at Max Financial Services?

worker_agent: answer =It seems that no specific data regarding the percentage of women in Key Managerial Personnel (KMP) roles at Max Financial Services has been provided in the information chunks. Without this data, I cannot provide the exact percentage.

If you have access to Max Financial Services' BRSR report, sustainability report, or XBRL datasheet, you can look for the gender distribution among KMPs within the relevant sections. Typically, this data is disclosed under sections related to diversity and inclusion or governance practices.

Alternatively, if you can share the relevant data source or information chunk, I can assist in extracting and analyzing the required details.

Sub-question 10: subquestion = What is the percentage of women in board roles at HDFC Life Insurance Company?

worker_agent: answer =It appears that the relevant information has not been provided in the provided data chunks. Without specific details about the percentage of women in board roles at HDFC Life Insurance Company from the relevant reports, such as BRSR, GRI sustainability reports, or XBRL datasheets, I cannot provide an exact percentage.

However, I recommend consulting the following sources for this information:

- 1. HDFC Life's BRSR Report:** As per Indian regulations, the Business Responsibility and Sustainability Report (BRSR) often includes details about gender diversity, including the composition of the board.
- 2. HDFC Life's Sustainability Report (GRI Standards):** Sustainability reports prepared under GRI standards typically include metrics on gender diversity at various levels, including leadership roles.
- 3. XBRL Datasheets:** These datasheets may provide structured information regarding board composition and gender diversity.

If you have access to any of these documents or specific chunks containing relevant data, please share them, and I will help extract and analyze the required information.

All Context Chunks

Director Response

From the information provided, there is currently no specific data regarding the percentage of women in board roles or Key Managerial Personnel (KMP) roles at Religare Enterprises or its peers like SBI Life Insurance, ICICI Prudential Life Insurance, HDFC Life Insurance, or Max Financial Services. The absence of such details in the available chunks limits the ability to compare these companies directly on this metric.

Summary of Findings:

- **Religare Enterprises:** No specific data on women in board or KMP roles.
- **Peers (SBI Life Insurance, ICICI Prudential Life Insurance, HDFC Life Insurance, Max Financial Services):** No specific data on women in board or KMP roles.

Recommendations:

1. **Check Sustainability Reports:** Companies often disclose gender diversity metrics in their Business Responsibility and Sustainability Reports (BRSR) or GRI-compliant sustainability reports.
2. **Explore Corporate Governance Sections:** Annual reports and corporate governance disclosures typically provide information on board diversity and gender representation.
3. **Regulatory Filings:** SEBI disclosures or XBRL datasheets may include structured data on gender diversity at board and KMP levels.

Short Summary:

Currently, no data is available about the percentage of women in board or KMP roles for Religare Enterprises or its peers. Additional reports like BRSR, sustainability disclosures, or governance filings will be needed for precise information.

Would you like guidance on how to access or interpret these reports, or are there other ESG-related metrics you'd like to explore?
